

ACTIVITY DESCRIPTIONS

There's something at the Festival for everyone to enjoy. Try our most popular premium activities, which you can pre-purchase with a ticket or pay \$5-10 per activity onsite:

Dog swimming: Pups can jump into Padonia Park Club's main pool for water fun. *Pets with shock collars will not be allowed in the pool area.*

Dog drench: For more easy-going water play, visit the splash pad and enjoy the wet spurts and sprinklers. *Pets with shock collars will not be allowed on the splash pad.*

Lure course: Does your pup like to chase? This game is an exciting way for him to do that in a safe, controlled environment. Dogs chase a mechanized lure dragged along the ground at high speed.

Agility course: The MD SPCA behavior team will help run your dog through a pre-set obstacle course with hurdles, tunnels, and more.

Face painting: Allow our artists to give you whiskers or a paw print to the cheek. Face painting is open to our young guests and the young at heart.

Spaw day: Perhaps your pet is a diva. This is the place to stop for a pawdicure and perhaps a quick fur color.

Other **free and fun games** include giant fetch (pushing a large tennis ball), paw painting, DIY pet toys, and our first-ever scavenger hunt. Contests for the best hippie pet costume and best pet/parent look-alike will be judged from the stage.

Vendor row includes the MD SPCA's famous Flealess Market yard sale. Get new and lightly used pet supplies for a donation of your choice.
