

Easy to Clean Wand Toys

Here is an easy step by step guide for making easy to clean, re-usable cat toys:

Step 1: Find a plastic rod like a blinds wand that has some kind of hook or hole at the end.

Step 2: Find plastic curling ribbon to tie onto the ends or loop through the hole. Tie 3-4 pieces by knotting them in the middle, creating 6-8 strands to hang from the end of the wand.

Final Product: Final results should look like!
